MEMORANDUM FOR THE RECORD

I called Mr. McGeorge Bundy this morning regarding the photograph of Mr. Bundy holding a copy of the Agency's Central Intelligence Bulletin which appeared in yesterday's New York Times Magazine section, and clearly revealed the codeword Top Secret Dinar (see attached). Mr. Bundy apologized for the appearance of the codeword, but said there was nothing damaging in the material itself. I agreed, and indicated that steps would be taken to change the codeword. Mr. Bundy hoped the change would not take place too soon, obviously to lessen embarrassment.
